Sponsored by:

MIDLAND PARK CONTINUING EDUCATION
250 Prospect Street, Midland Park NJ 07432
Phone 201-444-2030 - Fax 201-444-2091

Pre-reading skills are important as children enter kindergarten. They should identify labels and signs, recognize some letters (like the ones in their names) and make letter-sound matches. Recognizing and writing numbers 0-9 will also benefit children entering kindergarten. These skills will be the focus of this program. We will also sharpen social skills – learning to cooperate and share through organized games, songs, and crafts. This is a perfect opportunity to enhance your child's readiness for school in the fall. If your child is not attending the Midland Park School District, please submit his/her immunization records with your registration. Snacks are not provided, please have your child bring their own. List allergies below.
